Date of birth

Full (work) address, including e-mail and telephone number

Candidate is at

- level I – top
- level II – promising

Nominator

Name

Full address including e-mail

Motivation for spending the Lotze Prize

Why should the nominee receive the prize? Please highlight major scientific achievements, international recognition of the candidate, and future perspectives of the main research contributions of the nominee. The internal consistency, coherence and significance of the nominee's research programme is important, not the uniformity with current mainstream paradigms (Max. 400 words)

CV Prize Candidate

Please include a recent CV for the candidate, with at least the following categories:

- *Name*
- *Academic degrees*
- *Professional experience*
- *3 most important Publications over the past five years. Please attach pdf files of these three publication as an appendix to the nomination form*

Nominations for the Lotze Prizer should be addressed by e-mail to prize@hlotze.com.
